DISCIPLINED RAIL CLASS

Disciplined Rail is an advanced class which tests the skills of both horse and rider, as they execute specific gaits, transitions and movements as requested by the judge.

Following are some, but not all, of the items the judge may ask you to perform:

1. Transitions to and from any gait, such as trot to canter, hand gallop to halt, halt to canter, trot to counter canter, etc. You may also be asked to perform a gait for a specific number of steps or strides.
2. Counter canter.
3. Extension and collection of any gait.
4. Sidepass
5. Pivot or forehand turn for a specific number of degrees.
6. Back
7. Change leads (Example: "As you pass in front of the judge, perform a simple change of lead.")
8. Depending upon the number of participants in the arena, you may be asked to reverse at a trot
9. Walk "on the buckle".
10. Leg-yield away from and back to the rail.
